Hi Sonja,  
We will not need you tomorrow for trial. I will let you know if the case gets another date. Thanks.

Ok thanks. Let me know if you end up going to Fallriver for the superior court case that morning. Is your fallriver case going to be a trial? I just want to be able to give the judge here an idea of when you would be able to get here if necessary. Thanks for your help.

Coming from the Amherst/Northampton area, my directions tell me that it will take about 3hrs for me to get to Barnstable (plus a few minutes to finish what I am working on, put away my samples, change into court clothes, etc.). From Fall River Superior, it would probably take me about 1h15min to get to Barnstable. My cell phone number is [REDACTED]. Thanks.

Hi Sonja, You can just be on-call for this case, that's not a problem. Please send me your cell phone number and I will call you the morning of the trial when I know for sure that the case will be a trial (as opposed to the defendants taking a plea). How long would it take you to get here from Northampton or Fall River superior?

I wanted to let you know that I did receive your summons, but I do have a question. Are you going to need me there at 9:00am, or at a set time later? I'm just trying to plan my commute from Northampton. Also, there is chance that I will be needed in Fall River Superior Court on Wednesday too. I waiting to

hear back from the ADA, and I think he is willing to try to work around your case as well. I will keep you informed. Thanks.
